# GEA GEOEXPO+

HELD IN CONJUNCTION WITH THE GRC ANNUAL MEETING

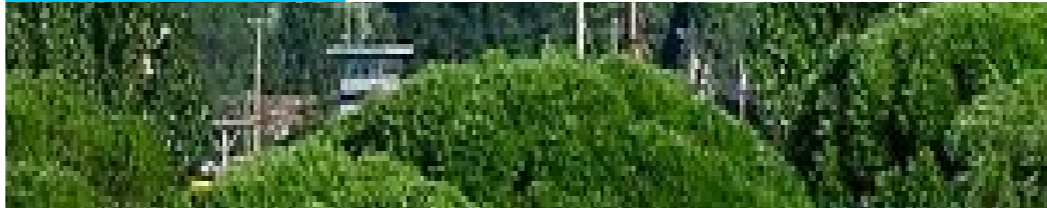

OCTOBER 1-4, 2017

SALT PALACE  
CONVENTION CENTER

SALT LAKE CITY, UT

## EXHIBITOR PACKET

LEADING INNOVATION. FOSTERING COOPERATION.

2017

# GEA GEOEXPO+

**3 DAYS.**

**1,200+ ATTENDEES.**

**EXPO & CONFERENCE**

## WHY THE + IT'S MORE THAN AN EXPO

It's an opportunity to gain direct access to leading decision makers. Showcase your line of products and services. Elevate your brand. Share your expertise. Connect with over 1,200 global geothermal stakeholders. [Exhibit at the GEA GeoExpo+.](#)

[www.geothermalexpo.org](http://www.geothermalexpo.org)

# WELCOME

On behalf of the Geothermal Energy Association (GEA), we would like to thank you for your interest in exhibiting. As the geothermal industry continues to grow on a global scale, we would first like to recognize the companies paving the way towards geothermal development. Each of you plays an integral role in advancing the state of geothermal both in the US and abroad. As the national trade association for geothermal energy in the U.S., we would like to thank you for aiding in our mission to advance geothermal.

This year's event focuses on a two-tier approach with theme "Leading Innovation. Fostering Cooperation." We strive to make all GEA events an opportunity to teach, learn, collaborate and grow. Developing new relationships, learning from others, and sharing knowing is at the nexus of development. We hope that you will use the [GEA GEOEXPO+](#) as a platform to showcase your companies products and services, elevate your brand, share your expertise, and exchange ideas amongst a global pool of attendees.

We look forward to working with you closely as you go through the information in this packet and choose your booth space. If you have questions, please do not hesitate to contacting the event organizer.

# ABOUT GEA

**GEOTHERMAL  
ENERGY  
ASSOCIATION**

The Geothermal Energy Association (GEA) is a trade association composed of companies who support the expanded use of geothermal energy and are developing geothermal resources

worldwide for electrical power generation and direct-heat uses.

To expand geothermal, the GEA advocates for public policies that will promote the development and utilization of geothermal resources, provides a forum for the industry to discuss issues and problems, encourages research and development to improve geothermal technologies, presents industry views to governmental organizations, provides assistance for the export of geothermal goods and services, compiles statistical data about the geothermal industry, and conducts education and outreach projects.

## Special Thanks to our 2017 GEA Officers & Directors for their Support!

### GEA OFFICERS

PRESIDENT: Doug Glaspey, US Geothermal Inc.

VICE PRESIDENT: Josh Nordquist, Ormat Technologies, Inc.

VICE PRESIDENT: Joe Ronan, Calpine Corporation

Vice President: Jonathan Weisgall, Berkshire Hathaway Energy

SECRETARY-TREASURER: Terry Page, Enel Green Power North America

CHAIRMAN: Joe Greco, Terra-Gen Power LLC

### BOARD LEVEL COMPANY MEMBERS

Nick Goodman, Cyrq Energy

### ELECTED DIRECTORS

Ann Robertson-Tait, GeothermEx Inc

Domenic Falcone, Domenic J Falcone Associates

Halley Dickey, Industrial Builders

Bill Rlckard, Geothermal Resource Group

John McKinsey, LeClairRyan

Warren Dewhurst, Dewhurst Group LLC

Patrick Hanson, TNG Energy Services

# LEAD INNOVATION

[www.geothermalexpo.org](http://www.geothermalexpo.org)

WHY YOU SHOULD EXHIBIT AT THE LARGEST GEOTHERMAL ENERGY TRADE SHOW IN THE WORLD

## LEAD GENERATION

Engage with clients and prospects in a face-to-face setting to better understand their needs. Advance your company's sales pipelines through personal interactions and enhanced visibility.

## MEET THE INDUSTRY

Network and mingle with 1,200+ key industry stakeholders and buyers from the U.S. and around the globe. Organize business meetings at one of the many roundtables and lounge areas around the Hall. Meet, network, and develop relationships.

## BUILD YOUR BRAND

Gain visibility. Use the GEOEXPO+ as a vehicle to build your brand while simultaneously generating publicity. Generate new interest through Press and covering the event. Interact with our Media Partners to generate buzz around your products and services.

## GET SMART. BE SMART.

Walk the sprawling Expo hall floor to see cutting-edge geothermal technologies and services. Scope out what other companies are doing to maximize your marketing strategy.

# FLOOR PLAN

**Table Rounds:** Organize meetings, eat lunch, do some work away from the crowd, and more. This area is available for use.

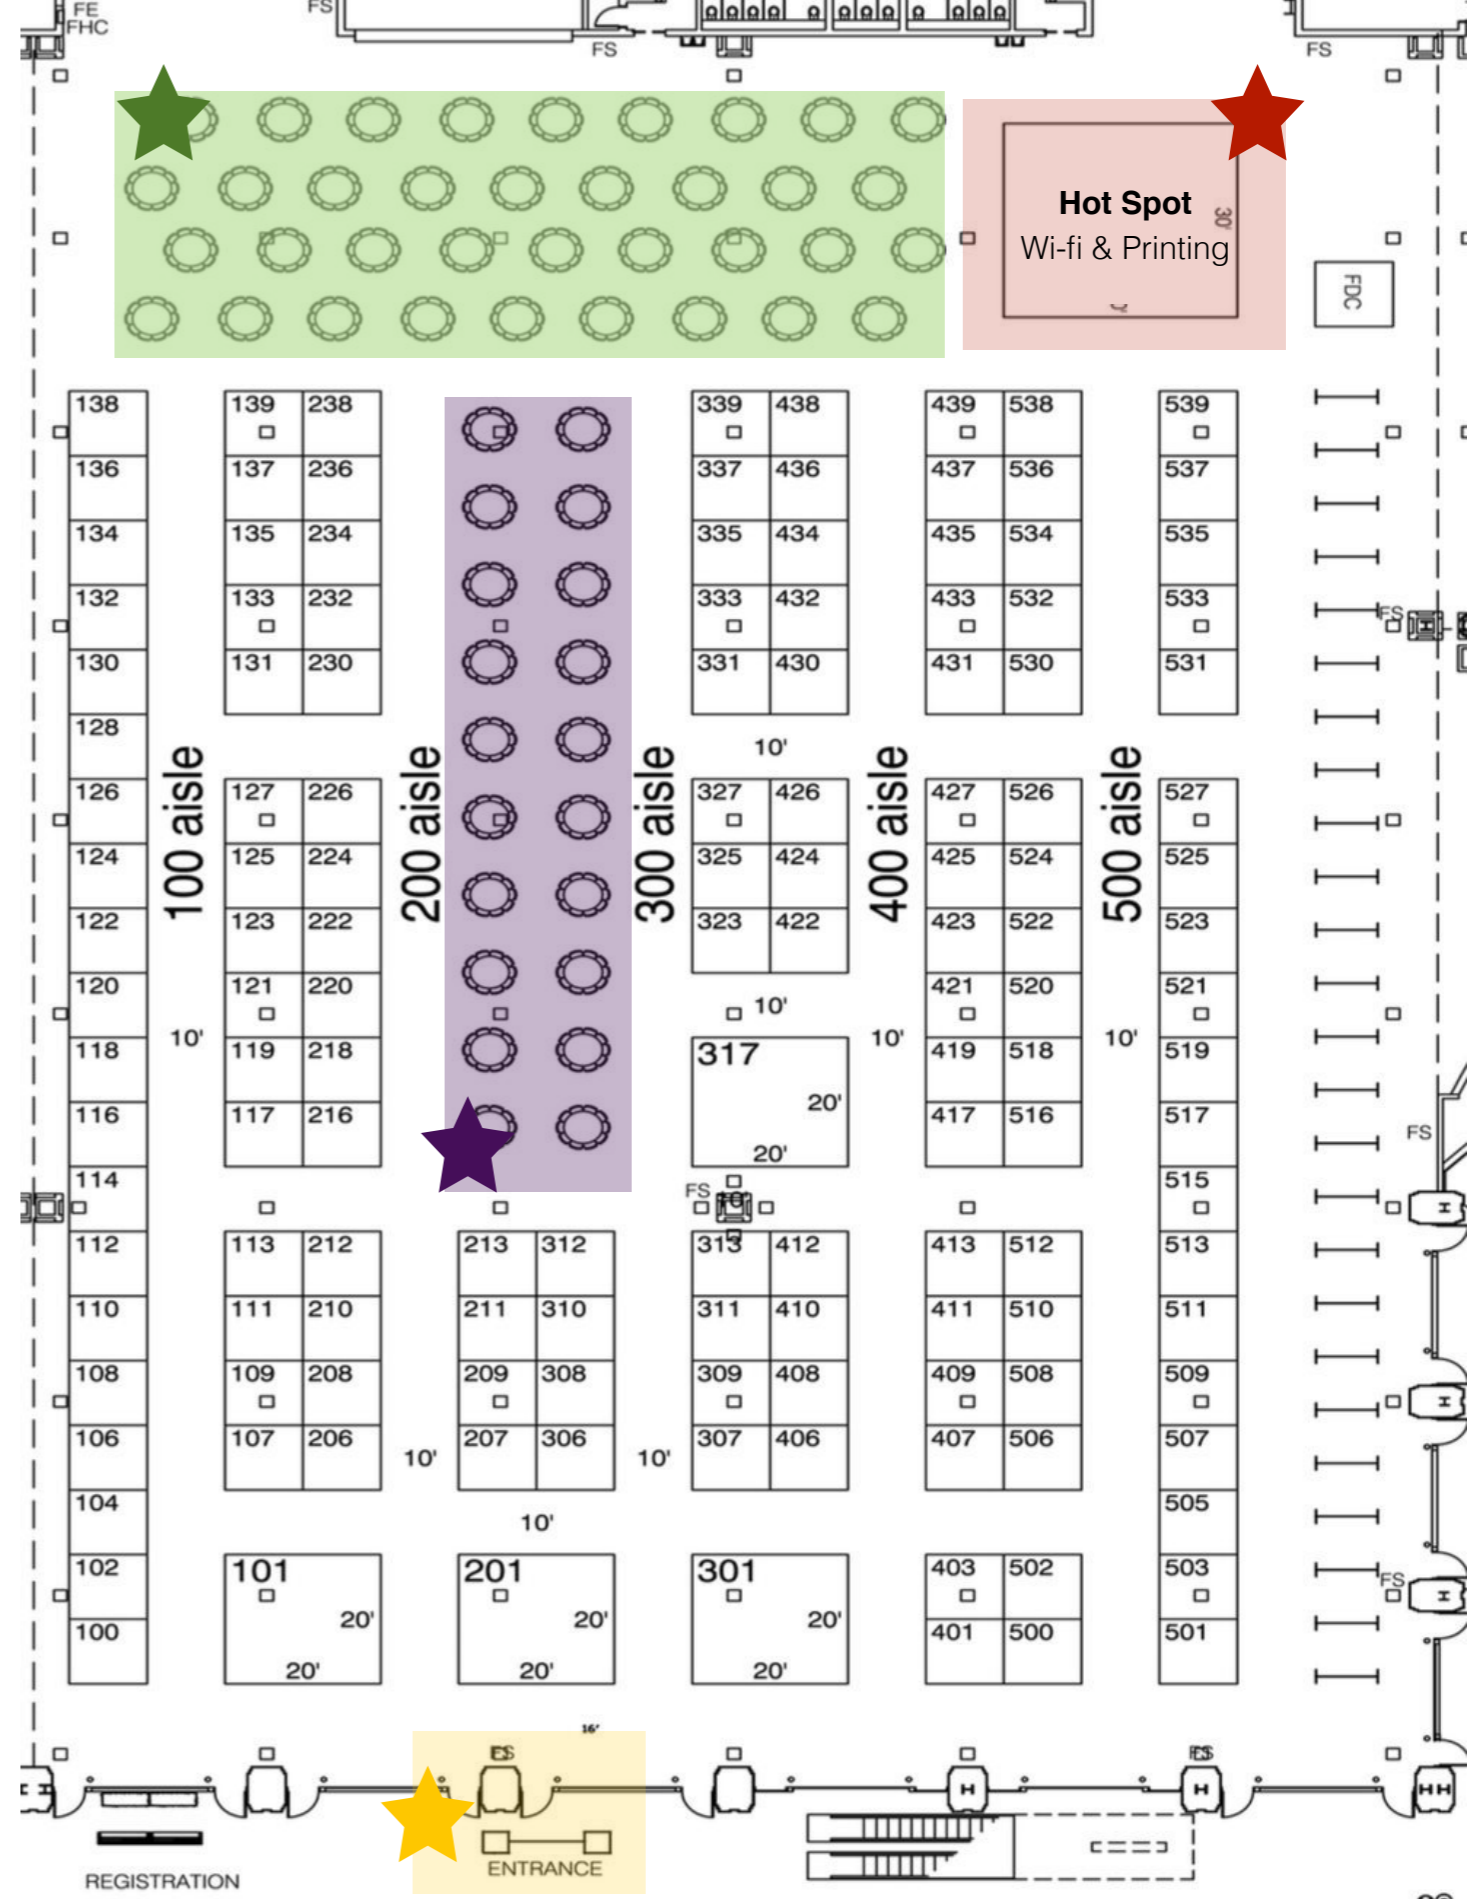

**Middle Aisle:** Lunch, coffee breaks, the bar area for the Opening Night Reception/ Tuesday Reception will be served in this area.

**Hot Spot:** Need to print a boarding pass? Want to log-on for free wifi? Formerly known as the "Cyber Cafe," this area includes access to **wi-fi and printers.**

**SPONSORED BY:**

**Entrance:** This is the only entrance to the Exhibit Hall

# EXHIBITOR CONTRACT (CONTINUED)

## 6. Freight & Handling

The official exhibit contractor is Freeman. The Exhibitor Services Company will send to each Exhibitor an exhibitor's kit containing information on furnishing, electrical service, shipping and freight handling, storage arrangements and other services. To prevent custom problems ANY FOREIGN shipments should be coordinated with Exhibitor Services Company.

## 7. Expo Schedule

Dates and schedule for mounting, exhibition and dismantling are as follows.

The exhibitor must finish the mounting of his/her booth in the period established to do that. If the booth is not ready in this period, the exhibitor will have to request a special permission from Freeman to finish the mounting

Saturday, September 30, 2017	Installation	noon-6 pm
Sunday October 1, 2017	Installation	8:00 am- 4:00 pm
	Opening Reception in the Exhibit Area	6:00 pm- 8:00 pm
Monday, October 2, 2017	Expo Hall Open	noon-5 PM
Tuesday October 3, 2017	Expo Hall Open	9:00 am- 6:00 pm
Wednesday October 4, 2017	Expo Hall Open	9:00 am- noon

Exhibitor Booth Breakdown After noon

# EXHIBITOR CONTRACT (CONTINUED)

Exhibitors may not dismantle or disturb their exhibits until after the official closing. Failure to observe this rule may jeopardize the Exhibitor's participation in future GEA Expos. The exhibitor has to be dismantled his/her booth and ready to leave it to Exhibitor Services Company by the hour mentioned in point 2. Any delay could be charged to the exhibitor, unless it is previously arranged with Exhibitor Services Company. Exhibitor Services Company will provide the permission-form for retrieve the exhibited materials and equipment, after verifying there is no any damages to the installations and booths.

## **8. Cancellation Policy**

Should the Exhibitor be unable to occupy and use the contracted exhibit space, the Exhibitor shall notify the GEA in writing. A refund of the total exhibit fees due less a service charge of 25% will be made for cancellations received on or before June 9, 2017. A refund of the total exhibit fees due less a service charge of 50% will be made for cancellations received on or before July 7, 2017. If any cancellations are received between July 8, 2017 and August 25, 2017 a refund of total exhibit fees less a service charge of 75% will be received. No refunds will be made for space cancellations received after August 25, 2017.

## **9. Unclaimed Space**

Exhibits must be completely installed by 4:00 pm, Sunday, October 1st at 4pm or the exhibit space may be reassigned without refund of rental paid. The GEA will not be liable for any incurred expenses.

## **10. Use of Exhibit Space**

The exhibitor is the only responsible for the legitimacy and property of every material, equipment or trademark to be exhibited and used in his/her booth. The GEA -GRC and Exhibitor Service Company is exempted of any civil or legal liability. The exhibitor is free to introduce in his/her booth the materials he/she wants to, but it is forbidden:

- a) Invade the circulation aisles
- b) Use loudspeakers to volumes that cause disturbances to the adjacent booths.
- c) Produce or start any kind of chemical or physical reaction that could be dangerous or potentially harmful to the visitors or the installations.
- d) Introduce any animals or pets, without permission of Exhibitor Services Company.
- e) Constructions or installations with masonry, bricks, cement, Panel-W, plaster, plasterboard, welding, etc., and any material that could be harmful for the exhibition area or makes difficult its dismantling within the established schedule.
- f) Affect the walls, floor, columns and roofs of the exhibition area.
- g) Exhibit balloons or similar inflatable materials, unless anti-inflammable gases are used.

# EXHIBITOR CONTRACT (CONTINUED)

- h) Paint, cut, weld, nail, stick or cause any affection to the panels, carpet and materials of the booths.
- i) Wet the carpet with filtration of flowerpots or decoration plants.
- j) Modify the electric installations. In the case of heavy machinery or equipment to be exhibited, it has to be installed according to proper safety regulations and operated by skilled personnel of the exhibitor. This will be the unique responsible for any accidents or damages caused by his/her machines or equipment.

All exhibits shall be arranged so as not to obstruct the general view or hide the exhibits of others. The GEA reserves the right to restrict exhibits that may be objectionable or to order the removal of any portion of an exhibit which, in the sole judgment of the GEA, is detrimental or detracts from the general order of the exhibition.

Aisle space shall not be used for display or demonstration purposes. Distribution of literature, promotional materials or samples must be confined to the limits of the exhibitor's booth or table top space. Exhibitors must display goods and services directly related to their regular course of business unless written approval is obtained in advance from the GEA. If it is necessary to use equipment of another manufacturer, no advertising of that equipment may be in evidence. No Exhibitor shall assign, sublet or share the exhibit space assigned without the prior written consent of the GEA. Exhibits that include the operation of audio equipment or any noise-making machinery must be operated so that the resulting noise will not annoy or disturb adjacent exhibitors.

## **11). Exhibit Representatives**

The exhibitor is encouraged to have at least one person to attend his/her booth during the time the Expo is open to visitors, since the exhibitor is solely responsible for the materials and equipment exhibited in his/her booth. GEA will provide up to three (3) complimentary "Exhibition Hall Only" admission badges for a 10' x 10' booth space paid by an exhibiting organization. Past that number, there will be a \$50 charge per exhibitor for access to the Sunday Night Opening Reception and Trade Show Halls October 1-4. A list of representatives who will attend the booth must be provided to GEA via e-mail to ([rani@geo-energy.org](mailto:rani@geo-energy.org)).

If some of these badges are missing, the exhibitor must notify GEA as soon as possible, so that GEA can replace the missing badges. There will be a replacement badge fee of \$5 per badge for any lost badges.

If you would like to invite additional guests, as an exhibitor they will be able to register online at a guest rate.

# EXHIBITOR CONTRACT (CONTINUED)

## **12). Non-Discrimination**

The Exhibitor agrees that during the life of this Contract the Exhibitor will not discriminate against any employee or applicant for employment because of race, color, creed, national origin, sexual orientation or ancestry. It is the policy of the GEA that all parties doing business with the GEA adhere to the principles of, and take reasonable affirmative action to ensure positive progress in, Equal Opportunity Employment, to the extent required by law.

## **13). Compliance**

The Exhibitor assumes all responsibility for compliance with all pertinent ordinances, regulations and codes of duly authorized local, state and federal governing bodies concerning fire, safety and health, together with the rules and regulations of the operators and/or owners of the property wherein the exhibit is held. Federal, state, county and city laws must be strictly observed by the Exhibitor. All materials used in the exhibits must be flameproof and conform to all fire department regulations.

## **14). Liability and Insurance**

- (a) The GEA will employ security guards and will take reasonable precautions to safeguard the Exhibitor's property during exhibit hours and when the exhibit area is closed. Nevertheless, the Geothermal Energy Association, the Geothermal Resources Council, Exhibitor Services Company, their agents, officers, directors or employees shall not be responsible for any loss, damage, injury or theft that may occur to the Exhibitor or to the Exhibitor's employees, representatives or property from any cause whatsoever, prior, during or subsequent to the period covered by the Contract. The Exhibitor shall indemnify and hold harmless the GEA, its officers, directors, agents or employees from all liability and any and all claims for such loss, damage or injury.
- (b) Furthermore, the Exhibitor understands that the Geothermal Energy Association, the Geothermal Resources Council and Exhibitor Services Company do not maintain insurance covering the Exhibitor's property. It is the sole responsibility of the Exhibitor to obtain such insurance. The exhibitor is responsible for the assurance of the valuable equipment and materials to be exhibited in his/her booth, and for the care of the same during the time the exhibition will be open to visitors. Nor the GRC-GEA, Exhibitor Services Company nor the Salt Palace Convention Center Salt Lake City, UT will be responsible for harms or affectations caused by stealing, fire, lack or electricity, sabotage, explosions or other causes. The security personnel of the event will have the right to prevent the introduction of any non-declared material or equipment, as long as any object they consider dangerous. The exhibitor must address to Exhibitor Services Company to solve any problem on this issue. The security personnel of the event will be in charge of surveillance of the Trade Show during the hours closed to visitors. Exhibitors will have access half-hour before the visitors opening and must leave the area half-hour after the visitors closing. Any special time or surveillance services have to be asked to Exhibitor Services Company. Nor GRC-GEA, Exhibitor Services Company nor the Salt Palace Convention Center Salt Lake City, UT will be responsible for the lost of tools or materials during the operations of mounting and dismantling.

# EXHIBITOR CONTRACT (CONTINUED)

## **15). Cancellation or Termination of Expo**

In the event that the premises of the Salt Palace Convention Center are destroyed or damaged, or if the GEA Expo fails to take place as scheduled, or is interrupted and/or discontinued, or access to the premises is prevented or interfered with by reason of any strike, lockout, injunction, act of war, act of God, emergency declared by any government agency, or for any other reason beyond the control of the GEA, this Contract may be terminated by the GEA. In the case of such termination, the Exhibitor waives any and all claims the Exhibitor might have for damages or expenses and agrees that the sole liability of the GEA shall be to refund all amounts paid to the GEA by the Exhibitor in accordance with this Contract.

## **16). No Guarantee of Results**

The GEA does not warrant or guarantee any particular results from exhibiting in the Geothermal Energy Expo nor does it guarantee any particular number of attendees or exhibitors.

## **17). Regulations and Contract**

These rules and regulations have been formulated in the best interest of all concerned and become part of the Contract between the Exhibitor and the GEA. All matters and questions not addressed by these regulations are subject to the decision of the GEA, in the GEA's sole discretion.

### FREEMAN Contact

Mr. Dave Schebetta  
[david.schebetta@freemanco.com](mailto:david.schebetta@freemanco.com)  
(775) 690-2109

## 1). Contract for Exhibit Space

This application for exhibit space, the notice of space assignment by the GEA, and the full payment of rental charges together constitute a Contract for the right to use the space by the Exhibitor. Applications should be submitted promptly and must be accompanied by a minimum deposit of 75% of the exhibit space fee. If a 75% deposit does not accompany submission of this form, Exhibitor agrees to pay deposit within 30 days of invoice. The remaining balance must be received by the GEA before Friday, August 25, 2017. Exhibitors who receive the discounted GEA membership rate can choose to pay for FY17 membership at the time of booth payment OR no later than one (1) year from the time of the last renewal. Contact [Kathy@geo-energy.org](mailto:Kathy@geo-energy.org) for membership renewal inquiries.

## 2). Assignment of Exhibit Space

Exhibit space will be assigned as quickly as possible on a first-come, first-served basis after applications with minimum deposit and confirmation of wired funds (if applicable) are received, subject to availability of space preferences, special needs, and compatibility of exhibitors. Every effort will be made to respect the Exhibitor's space requests provided, however, the GEA reserves the right to make the final determination of all space assignments in its sole discretion.

The exhibitor has to occupy the booth-number(s) established in his/her contract. However, if the general interest of the Expo so requires, GEA could assign a new place or booth-number of similar characteristics by a previous notification to the exhibitor.

## 3). Payment of exhibit fees is to be made in U.S. dollars

Checks must be drawn on a U.S. bank and are payable to:

Geothermal Energy Association  
209 Pennsylvania Avenue, SE,  
Washington, DC 20003, USA.

When you register online for the Expo you will be able to pay by credit card at that time or can choose to send a check or money order. If you must make payment via wire transfer, please contact GEA for instructions. If the Exhibitor fails to make full payment on or before Friday, August 25, 2017, the Exhibitor shall forfeit all rights to the use of the assigned space, and the GEA shall have the right to resell or use the space in such a manner as it may consider to be in its interests and without any liability on the part of the GEA.

# EXHIBITOR CONTRACT (CONTINUED)

## Exhibit Fees:

On or before June 9, 2017	10'x10'	10'20'	10'30'	10'40'	Special* (per 10'x10')
GEA Non-Member	\$3,050	\$5,250	\$7,400	\$9,600	\$1,720
GEA Member	\$2,400	\$5,250	\$6,320	\$8,120	\$1,720
Beginning June 10, 2017	\$3,250	\$5,500	\$8000	\$10,000	\$1,850

**\*\*End Cap and Island booths:** GEA will charge a \$2/square foot fee.

End cap: An exhibit space with aisles on three sides.

Island Exhibit: A display with aisles on four sides.

**\*Special exhibit fees** are available per 10'x10' booth space to only non-profit organizations, government agencies, national laboratories and universities. GEA has right to request proof of non-profit status from potential exhibitors prior to issuing space confirmation.

## 4. Exhibit Packages and Exhibitor Categories

Exhibit Booths are 10' x 10' and has an 8' high back drape and 3' high side drapes. The back drape will be WHITE and the side drape will be BLACK. A 7" x 4" identification sign with the Exhibitor's name and space number (s) will also be provided for each booth. Each booth will include a table, two chairs and a wastebasket. Hall A where the Expo will be held IS NOT carpeted. One time vacuuming of your exhibit will be provided prior to Sunday's opening reception (between 4:00 and 6:00 p.m.). 24-hour general security will be provided during the Expo.

Additional on-site needs of individual exhibitors besides the basic booth set-up outlined above (such as telephone line, Internet access, etc.) will be provided by Exhibitor Services Company Freeman upon request for an additional fee.

## 5. Official Exhibit Contractor

The official exhibit service contractor for the Geothermal Energy Expo is Freeman, which will also provide freight services and customs clearance for all exhibitors.

# EXHIBITOR CONTRACT (CONTINUED)

## 6. Freight & Handling

The official exhibit contractor is Freeman. The Exhibitor Services Company will send to each Exhibitor an exhibitor's kit containing information on furnishing, electrical service, shipping and freight handling, storage arrangements and other services. To prevent custom problems ANY FOREIGN shipments should be coordinated with Exhibitor Services Company.

## 7. Expo Schedule

Dates and schedule for mounting, exhibition and dismantling are as follows.

The exhibitor must finish the mounting of his/her booth in the period established to do that. If the booth is not ready in this period, the exhibitor will have to request a special permission from Freeman to finish the mounting

Saturday, September 30, 2017	Installation	noon-6 pm
Sunday October 1, 2017	Installation	8:00 am- 4:00 pm
	Opening Reception in the Exhibit Area	6:00 pm- 8:00 pm
Monday, October 2, 2017	Expo Hall Open	noon-5 PM
Tuesday October 3, 2017	Expo Hall Open	9:00 am- 6:00 pm
Wednesday October 4, 2017	Expo Hall Open	9:00 am- noon

Exhibitor Booth Breakdown After noon

Exhibitors may not dismantle or disturb their exhibits until after the official closing. Failure to observe this rule may jeopardize the Exhibitor's participation in future GEA Expos. The exhibitor has to be dismantled his/her booth and ready to leave it to Exhibitor Services Company by the hour mentioned in point 2. Any delay could be charged to the exhibitor, unless it is previously arranged with Exhibitor Services Company. Exhibitor Services Company will provide the permission-form for retrieve the exhibited materials and equipment, after verifying there is no any damages to the installations and booths.

## **8. Cancellation Policy**

Should the Exhibitor be unable to occupy and use the contracted exhibit space, the Exhibitor shall notify the GEA in writing. A refund of the total exhibit fees due less a service charge of 25% will be made for cancellations received on or before June 9, 2017. A refund of the total exhibit fees due less a service charge of 50% will be made for cancellations received on or before July 7, 2017. If any cancellations are received between July 8, 2017 and August 25, 2017 a refund of total exhibit fees less a service charge of 75% will be received. No refunds will be made for space cancellations received after August 25, 2017.

## **9. Unclaimed Space**

Exhibits must be completely installed by 4:00 pm, Sunday, October 1st at 4pm or the exhibit space may be reassigned without refund of rental paid. The GEA will not be liable for any incurred expenses.

## **10. Use of Exhibit Space**

The exhibitor is the only responsible for the legitimacy and property of every material, equipment or trademark to be exhibited and used in his/her booth. The GEA -GRC and Exhibitor Service Company is exempted of any civil or legal liability. The exhibitor is free to introduce in his/her booth the materials he/she wants to, but it is forbidden:

- a) Invade the circulation aisles
- b) Use loudspeakers to volumes that cause disturbances to the adjacent booths.
- c) Produce or start any kind of chemical or physical reaction that could be dangerous or potentially harmful to the visitors or the installations.
- d) Introduce any animals or pets, without permission of Exhibitor Services Company.
- e) Constructions or installations with masonry, bricks, cement, Panel-W, plaster, plasterboard, welding, etc., and any material that could be harmful for the exhibition area or makes difficult its dismantling within the established schedule.
- f) Affect the walls, floor, columns and roofs of the exhibition area.
- g) Exhibit balloons or similar inflatable materials, unless anti-inflammable gases are used.

h) Paint, cut, weld, nail, stick or cause any affection to the panels, carpet and materials of the booths.

i) Wet the carpet with filtration of flowerpots or decoration plants.

j) Modify the electric installations. In the case of heavy machinery or equipment to be exhibited, it has to be installed according to proper safety regulations and operated by skilled personnel of the exhibitor. This will be the unique responsible for any accidents or damages caused by his/her machines or equipment.

All exhibits shall be arranged so as not to obstruct the general view or hide the exhibits of others. The GEA reserves the right to restrict exhibits that may be objectionable or to order the removal of any portion of an exhibit which, in the sole judgment of the GEA, is detrimental or detracts from the general order of the exhibition.

Aisle space shall not be used for display or demonstration purposes. Distribution of literature, promotional materials or samples must be confined to the limits of the exhibitor's booth or table top space. Exhibitors must display goods and services directly related to their regular course of business unless written approval is obtained in advance from the GEA. If it is necessary to use equipment of another manufacturer, no advertising of that equipment may be in evidence. No Exhibitor shall assign, sublet or share the exhibit space assigned without the prior written consent of the GEA. Exhibits that include the operation of audio equipment or any noise-making machinery must be operated so that the resulting noise will not annoy or disturb adjacent exhibitors.

## **11). Exhibit Representatives**

The exhibitor is encouraged to have at least one person to attend his/her booth during the time the Expo is open to visitors, since the exhibitor is solely responsible for the materials and equipment exhibited in his/her booth. GEA will provide up to three (3) complimentary "Exhibition Hall Only" admission badges for a 10' x 10' booth space paid by an exhibiting organization. Past that number, there will be a \$50 charge per exhibitor for access to the Sunday Night Opening Reception and Trade Show Halls October 1-4. A list of representatives who will attend the booth must be provided to GEA via e-mail to ([rani@geo-energy.org](mailto:rani@geo-energy.org)).

If some of these badges are missing, the exhibitor must notify GEA as soon as possible, so that GEA can replace the missing badges. There will be a replacement badge fee of \$5 per badge for any lost badges.

If you would like to invite additional guests, as an exhibitor they will be able to register online at a guest rate.

## **12). Non-Discrimination**

The Exhibitor agrees that during the life of this Contract the Exhibitor will not discriminate against any employee or applicant for employment because of race, color, creed, national origin, sexual orientation or ancestry. It is the policy of the GEA that all parties doing business with the GEA adhere to the principles of, and take reasonable affirmative action to ensure positive progress in, Equal Opportunity Employment, to the extent required by law.

## **13). Compliance**

The Exhibitor assumes all responsibility for compliance with all pertinent ordinances, regulations and codes of duly authorized local, state and federal governing bodies concerning fire, safety and health, together with the rules and regulations of the operators and/or owners of the property wherein the exhibit is held. Federal, state, county and city laws must be strictly observed by the Exhibitor. All materials used in the exhibits must be flameproof and conform to all fire department regulations.

## **14). Liability and Insurance**

- (a) The GEA will employ security guards and will take reasonable precautions to safeguard the Exhibitor's property during exhibit hours and when the exhibit area is closed. Nevertheless, the Geothermal Energy Association, the Geothermal Resources Council, Exhibitor Services Company, their agents, officers, directors or employees shall not be responsible for any loss, damage, injury or theft that may occur to the Exhibitor or to the Exhibitor's employees, representatives or property from any cause whatsoever, prior, during or subsequent to the period covered by the Contract. The Exhibitor shall indemnify and hold harmless the GEA, its officers, directors, agents or employees from all liability and any and all claims for such loss, damage or injury.
- (b) Furthermore, the Exhibitor understands that the Geothermal Energy Association, the Geothermal Resources Council and Exhibitor Services Company do not maintain insurance covering the Exhibitor's property. It is the sole responsibility of the Exhibitor to obtain such insurance. The exhibitor is responsible for the assurance of the valuable equipment and materials to be exhibited in his/her booth, and for the care of the same during the time the exhibition will be open to visitors. Nor the GRC-GEA, Exhibitor Services Company nor the Salt Palace Convention Center Salt Lake City, UT will be responsible for harms or affectations caused by stealing, fire, lack or electricity, sabotage, explosions or other causes. The security personnel of the event will have the right to prevent the introduction of any non-declared material or equipment, as long as any object they consider dangerous. The exhibitor must address to Exhibitor Services Company to solve any problem on this issue. The security personnel of the event will be in charge of surveillance of the Trade Show during the hours closed to visitors. Exhibitors will have access half-hour before the visitors opening and must leave the area half-hour after the visitors closing. Any special time or surveillance services have to be asked to Exhibitor Services Company. Nor GRC-GEA, Exhibitor Services Company nor the Salt Palace Convention Center Salt Lake City, UT will be responsible for the lost of tools or materials during the operations of mounting and dismantling.

# EXHIBITOR CONTRACT (CONTINUED)

## **15). Cancellation or Termination of Expo**

In the event that the premises of the Salt Palace Convention Center are destroyed or damaged, or if the GEA Expo fails to take place as scheduled, or is interrupted and/or discontinued, or access to the premises is prevented or interfered with by reason of any strike, lockout, injunction, act of war, act of God, emergency declared by any government agency, or for any other reason beyond the control of the GEA, this Contract may be terminated by the GEA. In the case of such termination, the Exhibitor waives any and all claims the Exhibitor might have for damages or expenses and agrees that the sole liability of the GEA shall be to refund all amounts paid to the GEA by the Exhibitor in accordance with this Contract.

## **16). No Guarantee of Results**

The GEA does not warrant or guarantee any particular results from exhibiting in the Geothermal Energy Expo nor does it guarantee any particular number of attendees or exhibitors.

## **17). Regulations and Contract**

These rules and regulations have been formulated in the best interest of all concerned and become part of the Contract between the Exhibitor and the GEA. All matters and questions not addressed by these regulations are subject to the decision of the GEA, in the GEA's sole discretion.

## Membership Contact

Kathy Kent-Schott

[Kathy@geo-energy.org](mailto:Kathy@geo-energy.org)

+1 (202) 454-5263

The GEA will be working hard to shape the industry for tomorrow. GEA's role has never been more vital as we endeavor to expand the use of this clean, renewable, sustainable energy source and continue our work advocating for the industry.

Membership provides the bulk of financial support for GEA and directly determine whether or not we have the resources to educate policy makers on critical industry issues, organize events, produce geothermal industry data, reports, and publications, engage the press in an aggressive public relations effort and more.

## The Perks:

**Discounted Tickets:** Receive up to \$100 discounts on all GEA events and a special discounted rate for exhibiting at the GEA GeoExpo+.

**Your Info in the GEA Member Database:** The GEA Member Database lists the full contact information of all members. This information is used by ministries, governmental entities, private developers, engineers, and more to track down contacts, gather data, and form alliances

**Advanced Copies of Reports** so you're ahead of the curve! Be the first to stay up-to-date on geothermal developments in the U.S. and around the globe

**Eligibility for the Prestigious GEA Honors Awards:** Congratulations to our 2016 Awardees for their contribution in geothermal!

**Priority for GEA Speaking Opportunities** at GEA Events
